"THE GREAT CIRCUS MYSTERY"

Featuring BONOMO

Chapter 5

Landow falls from the wire to escape his pursuers. The hindus drive up in their car and Landow lands lightly. Darrell kicks over a huge rock which rolls down the cliff, striking the cabin. Adams is knocked cold. The girl and the mystery-man escape. They seize the missing ~~part~~ portions of the much needed cigarette case.

Landow's party drive towards the cliff and help Darrell and Trixie to climb to the top. They dash back to the circus. Trixie is handed the great jewel by the little child who is its finder. Adams comes to and makes haste to the circus grounds.

He sees Trixie holding the jewel in her tent. She bolts her door. Adams has two henchmen guard the door while he stirs up action among his other followers. Trixie hides the jewel in a bottle of perfume. The girl is lured out by a woman who poses as her friend. She is whirled away towards the harbor.

Landow and Darrell follow in a big automobile. They have to battle Adams' gang. After a terrific fight their car rolls over the cliff.

The girl goes upon the deck of a ship. She is immediately seized and searched. She attempts to fight and protect herself, but is soon overcome.
